

POWERING THE PLAINS

Colorado's Electric Cooperatives

THE TEAM IS RAISING MONEY TO HELP THOSE WHO STRUGGLE TO PAY THEIR HEATING BILLS.

A team of representatives from local electric co-ops will ride in the 2017 Pedal the Plains bicycle tour of the eastern plains of Colorado. This 3-day tour will take riders on a 177-mile adventure highlighting three unique and quaint communities in Weld and Morgan counties: Kersey, Keenesburg and Brush.

If you want to sponsor the team and help raise money for Energy Outreach Colorado, fill out the form here and send it with your check. Make check payable to CEEI.
